The bullring at Christmas is wonderful, and every year we switch on the lights.

The park is wonderful and you can play, have a snack and relax there.

The school is big and modern. It is the best school in Abarán.

San Pablo Cafeteria is super cool and its food is very good.

La Ermita is very beautiful and you can have lunch and skate there. There is also a church.

The water wheel is relaxing because of the water and you can take some really cool photos there.

In the Cervantes theatre you can see concerts and movies. It was built in 1986.
