The bullring in Abarán is very beautiful at Christmastime

At Christmas, Santa Claus comes to the Ermita. They give you gifts, and there are very pretty stalls.

El Jarral is a river beach. You can swim there but be careful because the stream is very strong.

The Virgen del Oro school is my school. There you will learn many things.

It's a famous theatre in Abarán. They do very nice things like playing movies, magic shows, etc.

The Old park is a very fun park for children. You can see some ducks there.
